

NEW YORK STATE SOCIETY OF RADIOLOGIC SCIENCES, INC.

August 15, 2016

Dear Colleague,

The NYSSRS, Inc. is excited to announce the next round of selections for the Student Leadership Development Program (SLDP) of the American Society of Radiologic Technologists for the 2016-2017 year. This program selects students who have leadership potential and are willing to invest the time and energy necessary to be a participant.

Please note, we are starting the process early again this year with a much earlier deadline for submission of application materials than the ASRT. The reason for this is that the NYSSRS will select its two candidates prior to the NYSSRS annual conference in October. NYSSRS will support the two students selected by covering their conference registration and two nights at the Radisson Hotel. We make the selection of the students, not ASRT.

I am attaching a copy of the application/process. The application can also be found at www.nyssrs.org under students. The deadline for submission of the completed application is **October 1st, 2016** (postmarked by if mailed). ***The NYSSRS will forward the names of the selected students to the ASRT by no later than January 1st, 2016.*** Those candidates selected, if accepted by ASRT, will get airfare, housing, a stipend for meals and other travel expenses to the annual ASRT Symposium and Governance meeting in June 2017. They will participate in educational sessions and observe the proceedings of the House of Delegates. More information can be found at:

<https://www.asrt.org/events-and-conferences/student-leadership-development-program>

Please share this information with your program faculty and students. Please keep the deadline in mind.

We look forward to hearing from you.

Yours Truly,

Karlyn LaBate

NYSSRS Student Governance Committee Chair and SLDP Coordinator
